RE: Tennessee Wastewater Systems, Inc.'s Petition to Amend Certificate of
Public Convenience and Necessity to Provide Wastewater Utility Services
(Docket No. 05-00042- Tennessee State Bank-Wears Valley Branch)

Dear Mrs. Standley:

Tennessee Wastewater Systems, Inc. provides the following information per your
request dated April 28, 2005.

1. The estimated amount of contributed capital to Tennessee Wastewater
Systems once the system is transferred to TWS.

\$20,000

2. Will the system being constructed for Tennessee State Bank-Wears
Valley Branch be larger than what is initially needed for the Bank? Will
there be room for expansion of the wastewater system? Is there
anticipation of any other developments being built on the 26 acres
proposed in this Docket?

The system being constructed is only being built to serve the
Tennessee State Bank-Wears Valley Branch but the system can be
expanded in the future. There is no anticipation of other developments
being built at this time.

3. An estimate of the maximum capacity of the system being installed in the area requested.

500 Gallons Per Day

- 4 A "Letter of Intent" from the developer or other party responsible for construction of the system, indicating the intention to contract with TWS for the operation of the system, once construction is complete.

See attached letter

5. An estimated time frame for construction of the system, including the estimated date construction will begin and the date it is estimated to be complete.

After approvable is received, it is expected that it will take 60 days to complete.

If you have any further questions, or need additional information, please feel free to contact me.

Sincerely,

Charles Pickney, Jr.

President
